

NATIONAL FOOTBALL LEAGUE BAG POLICY

Fans attending the 2016 Pro Bowl will not be allowed to bring any bags into Aloha Stadium unless they are in compliance with the NFL Clear Bag Policy. Fans will be able to carry the following style and size bag or container when approaching queue lines or awaiting entry into the stadium:

- Bags that are clear plastic, vinyl or PVC and do not exceed 12+x 6+x 12.+ (Official NFL team logo clear plastic tote bags are available through club merchandise outlets or at nflshop.com), or
- One-gallon clear plastic freezer bag (Ziploc bag or similar).
- Small clutch bags, approximately the size of a hand, with or without a handle or strap can be taken into the stadium with one of the clear plastic bag options.
- An exception will be made for medically necessary items after proper inspection at a gate designated for this purpose.

Prohibited items include, but are not limited to: purses larger than a clutch bag, coolers, briefcases, backpacks, fanny packs, cinch bags, seat cushions, luggage of any kind, computer bags and camera bags or any bag larger than the permissible size.

Fans will continue to be able to enjoy their tailgate activities in the parking lots and to do so with greater safety and the knowledge that their entry into the stadium will be smoother and faster. They also will continue to be able to carry items allowed into the stadium, such as binoculars, cameras, and smart phones.

In recent years the NFL has enhanced its already comprehensive safety plans with the additional measures such as pat downs, bag checks and metal detectors.

Working personnel, including media, will continue to enter NFL stadiums through designated gates where they will be subject to screening and bag inspections already in effect at all stadiums.
