

**STATE OF HAWAII
NOTICE OF PUBLIC HEARING
ON PROPOSED AMENDMENTS
OF
HAWAII ADMINISTRATIVE RULES
CHAPTER 3-70**

Pursuant to the provisions of Chapters 91 and 109, Hawaii Revised Statutes (HRS), a notice is hereby given that the Stadium Authority (Authority) will hold a public hearing on March 24, 2010, at 6:30 p.m., Aloha Stadium Hospitality Room, Aloha Stadium, 99-500 Salt Lake Boulevard, Honolulu, Hawaii 96818, where interested persons may be heard on the proposed amendments described below.

A proposed amendment to Section 3-70-10 would allow the Stadium Manager as approved by the Authority to limit staff charges and other out-of-pocket expenses; thereby limiting expenses for potential stadium licensees.

A proposed amendment to Section 3-70-11 would clarify rental charge language; provide for a nominal increase for commercial filming on property (increase hourly rate from \$100 to \$200 per hour for a maximum of \$1000 for the entire day); increase rental of the facility for certain events from \$500 to \$750 per date or an amount greater as may be determined by the Authority; add a new subsection which would provide for a rental rate charge for concerts held in the parking lot where no previous rate had been established; add a new subsection which specifically carves out a "no rent" charge for high school and lower grade level events where it was previously not specified; increase the rental rate for the parking areas from \$500 to \$750 per event date; and allow the stadium manager and the Authority to waive rental fees in whole or in part to accommodate and attract international and national caliber events to the facility.

A proposed amendment to Section 3-70-14(c) would delete the word "exclusive" as it is deemed redundant within the context of the rule.

A proposed amendment to Section 3-70-19 would allow the Authority's swap meet management company to determine entry fees paid by the public to enter the swap meet thereby allowing the swap meet management company the ability to waive, in its entirety, entrance fees to encourage attendance at this event.

A proposed amendment to Section 3-70-20 would increase parking rates for some types of vehicles (limousines, buses, trucks other than pickup trucks); increase the parking rate for high school and lower grade levels from \$2 to \$3 per vehicle; add a new subsection that would increase the automobile parking rate from \$5 to \$10 for professional sports and concert events, excluding Hawaiian cultural and musical events; and add a new subsection which would allow the stadium manager to waive parking fees for

an event provided that the out-of-pocket parking expenses be at the licensee's expense.

A proposed amendment to Section 3-70-20.01 would list prohibited activities; would clarify parking or tailgate party rules in the stadium parking lot; and in general increase safety precautions in and minimize damage to the parking lot.

A proposed amendment to Section 3-70-23 would list prohibited items that will not be permitted into the stadium proper.

All interested persons shall be afforded an opportunity to submit data, views, or arguments at the time of the hearing, orally or in writing. Persons who wish to testify are requested to submit ten (10) copies of their written statement. These copies may be hand-delivered to the Stadium Manager, Stadium Authority, 99-500 Salt Lake Boulevard, Honolulu, Hawaii 96818, or sent via mail to P.O.
