

## **CATERING FREQUENTLY ASKED QUESTIONS - ALOHA STADIUM**

Centerplate is proud to be the exclusive provider of food, beverage and merchandise sales for the Aloha Stadium. Centerplate offers customizable catering services to suit the needs of any event. The one exception to Centerplate's exclusivity at Aloha Stadium is with the Hospitality Room and with Section 8A/B of the Corporate Tailgate Zone. Please review the frequently asked questions below. For any additional questions, please contact the Centerplate Catering Supervisor at: (808) 488-0924.

**1. I am hosting an event at the Stadium. Can we bring in our own food, or hire an outside caterer?**

With the exception of events in the Hospitality Room and in section 8A/B of the Corporate Tailgate Zone, Centerplate is the exclusive catering provider and offers customizable catering services to suit the needs of your event. Bringing in outside food or using outside caterers is not permitted.

**2. Can we hire our own bartenders?**

Unfortunately hiring your own bartenders is not permitted. It is a requirement of the Liquor Commission of Honolulu that all bartenders serving on a licensed premise be employees of the license-holder. Centerplate holds the liquor license at Aloha Stadium and thus, must employ all bartenders.

**3. Can we bring in our own alcohol/liquor?**

For events in the Hospitality Room you may bring in your own beer and wine (Please note that our Alcohol license is limited to beer and wine only). A corkage fee will apply to all beer and wine not purchased through Centerplate. For other events, please let us know if you have a preferred brand and we will do our best to accommodate your request.

**4. Why is security required along with alcohol service?**

To comply with the requirements of the Liquor Commission of Honolulu, Centerplate is required to ensure the responsible service and consumption of alcohol at the Aloha Stadium. For any event serving alcohol, Centerplate is required to provide security services.

**5. Am I able to have mixed drinks served at my event?**

Unfortunately no. Centerplate's license through the Honolulu Liquor Commission is for beer and wine only.

**6. Can we bring in Food Trucks for our event?**

Using an outside caterer for your event is allowed only for events held in the Hospitality Room or in section 8A/B of the Corporate Tailgate Zone. For all other events, Centerplate is the exclusive provider of food and beverage. There are exceptions made on occasion if the

proposed food trucks do not sell items that conflict with items sold by Centerplate. In this situation, food trucks may be allowed to operate on property under a Centerplate sub-contractor agreement. Please work directly with the Centerplate Catering Supervisor for specific requirements.

**7. I would like to bring in vendors to sell specialty products at my event. Are there any restrictions?**

Depending on the types of products you are proposing, some outside vendors may operate on property under a Centerplate subcontractor agreement. Please work with the Centerplate Catering Supervisor for specific requirements

**8. If we cater through Centerplate, is there a minimum order?**

Centerplate can customize all orders to meet your needs. Please note, however, that the posted menu prices are based upon minimum counts. If your counts are below the posted minimum counts listed on the menu, we can still provide the service, but it may not be at the posted price. Please work directly with the Centerplate Catering Supervisor for specifics related to your event.
