MONTHLY SECURITY REPORT TO THE BOARD

The following is a brief summary of security related incidents which occurred from February 1, 2020, through February 29, 2020.

Swap Meets in February 2020

Stadium Nurses reported three Medical Assistance Calls. One call was for Injured Cared For (ICF). The injured person was evaluated and treated by Stadium Nurse, Honolulu Fire Department and Emergency Medical Technicians (EMTs). The injured person was transported via ambulance to the Emergency Room.

Two calls were for Sick Cared For (SCF). In one case, the person feeling sick, a Centerplate Employee, was evaluated and treated by the Stadium Nurse, then released on their own. The Stadium Nurse advised the person feeling sick to seek further medical care, if the person feeling sick did not improve or if the symptoms got worse. In the second case, the person feeling sick, a Swap Meet Vendor, was evaluated and treated by the Stadium Nurse, then refused a call for Emergency Medical Technicians (EMTs). The person feeling sick was released on their own. The Stadium Nurse recommended to the person feeling sick, to seek further medical evaluation and treatment. 📍
