## MONTHLY SECURITY REPORT TO THE BOARD

The following is a brief summary of security related incidents which occurred from January 1, 2021, through January 31, 2021.

### Theft in Second Degree.

Swap Meet Vendor reported two purses belonging to Vendor were stolen earlier in the morning. The purses contained cash, credit cards and Driver's License. Vendor did not know when purses were stolen and could not describe any suspects. Vendor called Honolulu Police Department and filed a Police Report.

### Illegal Property and Activity in CDL Lot

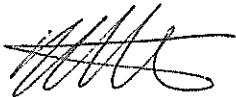

Stadium Security responded to a complaint about juveniles gathering in overgrown brush behind the CDL Lot. I found two areas- 1) chairs formed in a circle, with plywood floors. 2) approximately 10 chickens, various ages & sizes, in temporary, home-made cages/pens. I contacted with State of HI, Homeless Task Force and they agreed to assist with removing any illegal property and offering services if any homeless individuals were in the area. I posted Trespass Warnings on the illegal property in CDL Lot and took photos. Four days later, the Homeless Task Force removed all illegal property from the two areas discussed above.

### Swap Meet

Stadium Nurses reported two Medical Assistance Call. One call was for Injured Cared For (ICF). Injured person tripped & fell, was evaluated and treated by Stadium Nurse, then released to their family. One call was for Sick Cared For (SCF). The person feeling ill was evaluated and treated by Stadium Nurse, Honolulu Fire Department and Emergency Medical Services (EMS). Person feeling ill was transported by EMS to Pali Momi Medical Center.

# **New Aloha Stadium Entertainment District Committee (NASED)**

February 16, 2021

Board Members: Brennon Morioka (Chair), John Fink, Keith Amemiya

Stadium Staff: Ryan Andrews, Stephen Lee

Purpose: Update the Stadium Authority on various activities concerning NASED.

## **1. Governance**

- Bill monitoring and testimony have been (and will continue to be) provided on several bills related to NASED, specifically Senate Bill 1423 (HCDA; Stadium Development District) and its companion, House Bill 1348. These bills establish the stadium development district special fund; revise the general development guidance policies for the stadium development district; broaden the powers and duties of the stadium authority; and broaden the representation of the stadium authority by adding two members to its membership. Both bills have passed first readings and will have hearings in their respective committees in the coming weeks.
- The existing Memorandum of Agreement (MOA) will need to be updated and/or a new MOA will need to be drafted to bring further clarity to the roles and responsibilities of HCDA, DAGS and Stadium Authority pending the approval of the stadium bill.

## **2. Financial**

Financial due diligence continues to occur to ensure accuracy of the projected range of costs (design, construction, operation, facilities management, lifecycle, etc.) as well as projected revenues from stadium operations and lease agreements from the ancillary development.

## **3. Schedule of Key Work-Streams**

### Programmatic Environmental Impact Statement (PEIS)

- The Draft Environmental Impact Statement (DEIS) was published on December 23, 2020.
- The public comment period closed on February 8, 2021.
- Two community meetings were hosted by DAGS and the project team on January 26 & January 28. The intent of the meetings were to inform the public about the contents of the DEIS and to let the public know how they can provide comments. A total of 156 people registered for the meetings.
- Anticipated completion of Final PEIS is Summer 2021.

### Request for Proposals (RFP)

- Drafting of two concurrent RFP documents are underway (Stadium RFP & Real Estate RFP).
- The focus is translating the design principles of the master plan and stadium concept into technical requirements, along with the maintenance requirements for the new stadium and development district. Several subject matter workgroups have been established to facilitate this process.
- The release date of the RFP will be determined in the coming months pending legislative approval of the bill(s) that will establish governance and required authorities.

### Master Planning

- The NASED Programmatic Master Plan (PMP) draft accompanied the Draft PEIS publication on December 23, 2020. The draft version has several upcoming opportunities for revisions which will coincide with the comment period, review, and finalization of the EIS.
- The Conceptual Master Plan (CMP) will accompany the Request for Proposals (RFP) and provides a mostly visual representation of the vision of NASED which fits within the technical parameters set forth in the RFP.
