On the Halawa TOD Special District (City Council Bill No. 50) and Rezoning (City Council Bill No. 51), the City Council had the first reading on September 6, followed a Committee on Zoning hearing on September 13.

The second reading by Council will be October 4 and the next Committee on Zoning scheduled for October 18.

The final or third reading of Bill Nos. 50 and 51 where they become ordinance and law is November 1. The NASED should have its TOD zoning and Special District on that date.

Here are the link to review all the actions.
